

## Brightshiners Junior School

### Celebrating Three Years of God's Grace on Our New Facility

During the Covid-19 lockdown 2020, God's grace and provision through the compassion of friends saw us put up and move on this facility. As we look back we only can say our YHWH our Ebenezer.

### George Muller's Auto Biography!

During my recent trip to South-Eastern Asia, a dear sister in Christ gave me a small handbook which basically was Muller's Journal. Not only did I find it amazing for someone to have consistently kept dated records of life and ministry

encounter and experience with God spanning a lifetime, but more fascinating was his day-to-day trust in the Lord for provision.

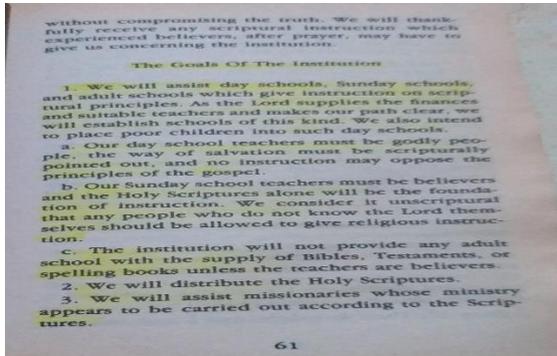

Figure 7 – Shared Vision/Mission

Other highlights included how this man of God went through daily struggles running a Children Home yet on daily basis he trusted God who never disappointed him. This indeed has been our encounters at Brightshiners. The lesson I learned trusting God without worrying for tomorrow as we run the project and church ministry.

Figure 8 – Kids Line-up to enjoy lunch

One of the greatest miracles from my trip was the food sponsorship that has seen pupils enjoy a full plate of meal with a fruit daily. With these children are happy and healthy and will continue to be stronger, healthier, and brighter with time.

Figure 9 – 12 are blessings sports items and our on-going VBS program. We truly have every reason to celebrate.

**Thanks & Prayer Shots:**

1. Thank God with us for end of awesome end of 2022 academic year which marks end of Covid-19 crush program that has seen students spend many weeks in school with shorter breaks.
2. Pray that our feeding program shall continue even during the 2 months school holiday to cater for those of our pupils from very poor families.
3. Pray for the provision of school lease that should see our school run for 2023. The school runs on an 8 years land lease with yearly payment terms. The lease was due on 1<sup>st</sup> Dec 2022. We trust God will provide the lease as the best Christmas gift to our pupils.

**Merry Christmas and Happy New Year 2023! Ps Alfred Kitui Linyulu**
