

Bi-Monthly Ministry Update

"Trust in the LORD with all thine heart;....." (Proverbs 3 : 5,6)

(Jan-Feb 2024)

Dear Ministry and Prayer partners,

Greetings from Nepal!

We are happy to serve our Lord and enjoy working on the His harvest. We ever delight and thank God that we are chosen by Him as the laborers for His Kingdom. And we always glory the God that He has provided us with ministry and prayer partners like you. Thank you for your prayers and supports! I would like to update some ministry activities too.

Participating on the Ignite Meetings

It was a great time to learn about how to be economically sustainable in the ministry. I got a chance to learn with the global and local leaders. More than thirty-five kingdom leaders participated in that meeting. Three kingdom leaders also participated from our Dhangadhi team.

Lord is making fruitful His laborers!

There are four church planters under my responsibility. They are fruitful in their ministries. Last week, they were presenting their progress reports. They each have small groups where they have started fellowship.
